ABOUT THE COURSE

RiverWinds Golf Club is set on the heart of the Delaware River with stunning views that include the city of Philadelphia skyline. The course is the perfect mix of links style golf along with some parkland traditions that will challenge players of any skill. The mounded terrain is gentle but becomes gradually more imposing as play progresses. The holes vary in directions, requiring players to use every club in their bag to battle the crosswinds and the tricky terrain. At RiverWinds, we are dedicated to helping you enhance your game with the proper equipment, beautiful golf course conditions, and an overall excellent golf experience!
